STATE OF WASHINGTON

Respondent,

v.

Allison C. Poor

(your name)

Appellant.

No. 52683-2

STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Allison C. Poor, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

I was never given my discovery paper work
through out my entire trial, despite my numerous
requests to get the paperwork.

Additional Ground 2

I requested new Council on the grounds of incompet-
ency (inadequacy) and it was denied by Judge Olsen,
the Presiding Judge in my trial. Craig Kirby
(my Attorney) was not intelligable when it came
to my case and did not try to represent
me on my behalf, only went through the court motions.

If there are additional grounds, a brief summary is attached to this statement.
